Classroom Times

Teacher: Tami and Larry

Date: May 3, 2010

This Month

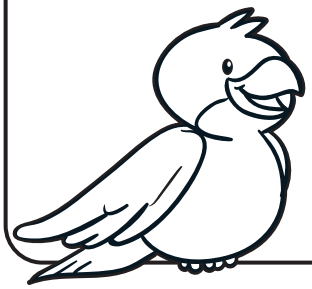
May is so fun! As the rain starts to go away and the sun starts to be out more we have lots of fun outside and inside. Bugs is the theme this month! We start out with Ladybugs, move onto Vegetable Gardens, go to Bugs of all sorts and finish off with Caterpillars and Butterflies! This year we are going to be watching the life cycle of butterflies, we have ordered some caterpillars that will show use how they form the chrysalis and then become butterflies!
Outdoor Learning Environment Update: We have the bike path almost finished, the bark is coming this Thursday and then the rest is just putting things together and where they belong. Look for an Open House invite coming soon! (May 22nd?!?)

Summer is coming!!

Unlike this yucky weather lately the summer weather should be here soon, we hope! With Summer there are some different things we will need, Sunscreen is the number one thing to bring for the summer. Please bring a bottle (Continous Spray Preferred) to leave here. We will mark it with your child's name and apply it every day after lunch before we head outside. Please apply in the morning before you bring your child! Thank You.

PNO

Parents Night Out is going to be on the 15th this month! $20 per child. $30 for 2 children. Dinner, craft, love, movie, games and more included! We hope to see you there. Please RSVP to Tami or on the Facebook event page by the 12th!



Happy Birthday

Tres is turing 4 on the 4th!!! Happy Birthday Tres! You should have gotten a party invite from his Mom, if you have not, please ask Tami for the info!

Holidays

We are closed Monday May 31st for Memorial Day! Have a great Holiday Weekend.
